Storage

The product must absolutely be stored with intact packaging and closed in covered, dry environments and heated to a temperature of about 20°C and with relative ambient humidity between about 45% and 60%.

Maintenance

For good maintenance, clean with a damp cloth, using a neutral, non-foaming detergent. Avoid washing with boiling water and/or steam-producing appliances.

Disposal

The product must not be dispersed into the environment, but entrusted to public waste disposal systems.
