EUROPEA

Rivestimenti laminati per pavimentazioni - Elementi con uno strato superficiale a base di resine termoindurenti amminoplastiche - Specifiche, requisiti e metodi di prova

UNI EN 13329

NOVEMBRE 2017

Laminate floor coverings - Elements with a surface layer based on aminoplastic thermosetting resins - Specifications, requirements and test methods

La norma specifica le caratteristiche, stabilisce i requisiti e fornisce i metodi di prova per i rivestimenti laminati per pavimentazioni con strato superficiale a base di resine termoindurenti amminoplastiche. Inoltre specifica i requisiti per la marcatura e l'imballaggio. Include un sistema di classificazione, fornendo i requisiti pratici per area e livello di utilizzo, al fine di indicare dove il rivestimento tessile per pavimentazione può fornire un servizio soddisfacente e di incoraggiare il consumatore a fare una scelta informata.

La presente norma è la versione ufficiale in lingua inglese della norma europea EN 13329:2016+A1 (edizione ottobre 2017)

La presente norma sostituisce la UNI EN 13329:2016

English Version

Laminate floor coverings - Elements with a surface layer
based on aminoplastic thermosetting resins -
Specifications, requirements and test methods

Revêtements de sol stratifiés - Éléments dont la surface
est à base de résines aminoplastiques thermosécables
- Spécifications, exigences et méthodes d'essai

Laminatböden - Elemente mit einer Deckschicht auf
Basis aminoplastischer, wärmehärbarer Harze -
Spezifikationen, Anforderungen und Prüfverfahren

This European Standard was approved by CEN on 27 November 2015 and includes Amendment 1 approved by CEN on 1 July 2017.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
